

**Early Childhood Action Day
& Public Policy Forum!
May 11th & 12th, 2009**

We're on the right track...

*We have a precious cargo, and times are tough,
so let's keep chugging.*

Register online for the PA **Early Childhood Action Day**, held Tuesday, May 12, 2009 in Harrisburg, PA. Your legislators need to hear from you about the importance of investing in quality in early childhood education. Take this opportunity to come to Harrisburg to tell your story and let your voice be heard.

Legislators need to hear your story about,

CHILDREN and the difference that a quality program makes in their lives,

TEACHERS and the critical role their skills and expertise play in a quality program,

on-going CHALLENGES (subsidy waiting lists, health insurance, staff turnover, unmet needs of Keystone STARS and Pre-K Counts),

SUCSESSES that investing in quality produces (early brain development, school readiness, family economic success and savings in future social service costs).
